ALBERT S. HARE FARM

1 mile East of town on Routes 32 and 38

NOBLESVILLE, INDIANA, TUESDAY, JULY 24, 1945

Starting promptly at 12:30 P. M.

Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois

Having sold his farm, Albert S. Hare now finds it necessary to completely disperse his herd of richly bred Scotch Shorthorn cattle. Not having enough cattle to provide a full sale offering from his own herd, he has invited his neighbor J. K. White to consign 14 head from his strong Whitecroft Herd. The sale will be held at the A. S. Hare Farm, one mile East of Noblesville, Indiana on Tuesday, July 24, 1945 starting at 12:30 P. M.

Albert Hare has been a good Shorthorn cattle breeder for many years and has enjoyed a good demand for his productions. His herd was founded on four strong families . . . Roan Lady, Augusta, Kilblean Beauty and Mayflower . . . and almost all of the cattle in this offering have been produced from these families. The good red herd bull Conner's Captain has been used with success in recent years and he will be sold in this dispersion along with many of his get.

J. K. White is widely and favorably known among Shorthorn breeders everywhere. Cattle from his Whitecroft Herd have been prominent in the show ring and it was in this herd that the great bull Khan Sultan, junior champion at the 1939 International Live Stock Exposition was developed, exhibited and used. Mr. White's consignment to this sale comprises 14 good heifers sired by sons of Khan Sultan and two promising young bull calves sired by his present herd bull, **Browndale Augustus**, also an International junior champion and a son of the noted Raveni Masterpiece.

None of the cattle in this offering have had any particular fitting for this sale. They are in everyday working flesh and may be expected to start at once on profitable breeding careers. This catalog contains pedigrees that should appeal to critical buyers and there are always unusual buying opportunities in dispersions.

Hal Longley,
of The Shorthorn World.
